JavaScript – Exercise 1 – Rubric

Task	Points Possible	Points Earned
The web page includes a banner, a heading 1, at least 2 images, and some styling like a <hr>	10	
Date and Time are at the top of the page under the heading 1.	5	
There is a button that asks the user to enter their name.	5	
The name box will pop up and after OK is hit, an alert box will appear with the name in a sentence like: "Welcome to my web page Name"	2	
Other alert boxes are set-up(at least 3) (like the president example), where the user clicks on a button and the alert box appears.	3	
Total Points	25
